

SCHOOL DISTRICT MISSION
(Comprehensive School Improvement Plan)

The mission of the Tri-County R-VII School District is to assure that students acquire basic academic and decision-making skills necessary to be productive and responsible citizens in an ever-changing society. Students are challenged to achieve individual success, work to their fullest potential, and become life-long learners. The school will guide and assist students to identify and accomplish personal, academic, and career goals. Students, teachers, and parents/guardians will share the responsibility in the district stated goals.

The district has a Board-approved Comprehensive School Improvement Plan (CSIP) guided by the mission statement and based on the district's fundamental beliefs about teaching and learning. This plan serves as the district's foundation for allocating resources, developing policies and procedures, and selecting and implementing instructional programs designed to raise student achievement.

The CSIP was developed through the combined efforts of Board members, staff, administrators, students, parents/guardians and community members and is ongoing. Goals, outcomes or objectives are provided in sufficient detail to direct the improvement efforts of the district for at least a five-year period. The CSIP is evaluated and updated as necessary.

A copy of the district's CSIP is available in the superintendent's office.
