

SUPPORT STAFF RECRUITING AND HIRING

To provide a positive educational environment for students, the district must employ quality staff members. It is the responsibility of the superintendent or designee to determine the support staff personnel needs of the school district and to locate suitable support staff candidates. The superintendent will make recommendations for employment of support staff members for the Board's approval. The Board will employ personnel in accordance with law.

The district's hiring procedures will comply with all federal and state laws, including laws prohibiting discrimination. The Tri-County RVII is an equal opportunity employer and hires only citizens of the United States and persons who are legally authorized to work in the United States. The Tri-County RVII will enroll and actively participate in a federal work authorization program in accordance with law.

Recruiting

Efforts will be made to recruit the best-qualified candidate for the position. New or vacant positions will be posted for at least five (5) business days in the district's buildings and publicized externally by other means as determined appropriate by the superintendent or designee. However, if the superintendent or designee determines that it would be detrimental to wait five (5) business days or that a longer period is necessary, the position will be advertised for as many days as is appropriate. Further, if the same or similar position was recently advertised, the superintendent or designee may utilize applications previously received without re-advertising the position. A position is not considered vacant if the Board, superintendent or designee assigns an existing employee to the position.

Recruitment procedures will not overlook the talents and potential of individuals already employed by the school district. Any current, qualified employee meeting the stated requirements may apply for new or vacant positions in the district.

All requests for information concerning vacancies in the district shall be directed to the superintendent or designee. Persons interested in positions in the district must complete a formal application and provide all necessary information requested by the superintendent or designee. The superintendent or designee shall conduct interviews, review references and obtain other information as deemed necessary.

The superintendent or designee will conduct background checks on employees and applicants for employment in accordance with law and Board policy.

Hiring

A position will be filled by the Board of Education only after receiving the recommendation of the superintendent or designee. All candidates will be selected on the basis of qualifications, training, experience and ability to fulfill the requirements of the position. Any applicant found to have presented false credentials or any document referencing false credentials will immediately be removed from consideration.

Before the Board votes to employ an applicant in a position that requires a license or other necessary certification, such as a nurse or an electrician, the superintendent or designee will verify that the applicant currently possesses the appropriate license or certification. The superintendent or designee will also reverify licenses and certifications once they are renewed.

A spouse of a Board member will only be hired to fill any vacant or new position if the position has been advertised in accordance with this policy and if the superintendent has submitted a written recommendation supporting the employment of the spouse. If the spouse of a Board member is hired, the names of all applicants for that position as well as the name of the individual hired will be included in the appropriate Board minutes.

The district will not accept an application of employment from a Board member, consider a Board member for employment or decide to employ a Board member while the member remains on the Tri-County RVII Board of Education. Board members who wish to apply for employment in the district must first resign from the Board.

In accordance with law, the district will hire individuals receiving retirement benefits from the Missouri Public Education Employee Retirement System to work full time only if the district has determined that it has a shortage of noncertificated employees. The district may only hire retired employees under this program if it has:

1. Made a good-faith effort to fill positions with candidates who have not retired.
2. Not offered early retirement incentives for either of the previous two (2) years.
3. Posted the vacancy for at least one (1) month and solicited applications through local newspapers or other media.
4. Determined that there is an insufficient number of eligible applicants.
5. Declared a critical shortage of noncertificated employees that is active for one (1) year.

The total number of retired noncertificated employees hired under this section cannot exceed at any one (1) time the lesser of ten (10) percent of the total noncertificated staff in the district or five (5) noncertificated employees.
